### Pneumonia and Consumption

**Consumption Threatened**  
C. Unger, 211 Maple St., Champaign, Ill., writes: "I was troubled with a hacking cough for a year and I thought I had consumption. I tried a great many remedies and I was under the care of physicians for several months. I used one bottle of FOLEY'S HONEY AND TAR. It cured me, and I have not been troubled since."

**Cured Hemorrhages of the Lungs**  
A. M. Ake, Wood, Ind., writes: "Several years since my lungs were so badly affected that I had many hemorrhages. I took treatment with several physicians without any benefit. I then started to take FOLEY'S HONEY AND TAR, and my lungs are now as sound as a bell. I recommend it in advanced stages of lung trouble."

### RANKS OF ARMY FILLING UP AGAIN

Large Number of Answers Received Last Week—W. B. Farley of Marianna, the Winner.

What a really bright little army of "Puzzlers" The Journal has and it is pleasing to note that the ranks which were so sadly thinned out a few weeks ago are fast filling again, and the answers to puzzles coming in thick and fast, some incorrect but for the most part correct, well written answers, which look as if the little "soldiers" had written them "all by themselves" and had not called upon papa or mama for assistance.

The big shiny dollar was captured this week by William B. Farley, Marianna, Fla., and The Journal will take pleasure in sending it to him.

**Last Week's Answers.**  
Following are the correct answers to last week's puzzles:  
No. 1. Montana.  
No. 2. Connecticut.  
No. 3. Florida.

No. 6. Tennessee.

#### Correct Answers Received.

#### A Stumbling Block.

What a stumbling block No. 2 proved to be to many of the boys and girls whose answers were correct; all but this one state—and that state Florida, their very own home state. Boykin Hyer, Belle Davis, Arnold Sarrs, Willie Lee, Clotilde D. Lusto, Ola Rand, Allie Carroll, Jennette Farine, Dina Hendrickson, Anna L. Hendrickson, Nora Wells and Sisile P. Egan, all gave No. 2 as Louisiana, while Jack and William Gentry said it was Virginia, Marvin Wolf and Clara Frenke said it Delaware and Olive Kay Waggoner, Otto Crona, Frances Robert, and Willie Brent thought No. 2 was Illinois.

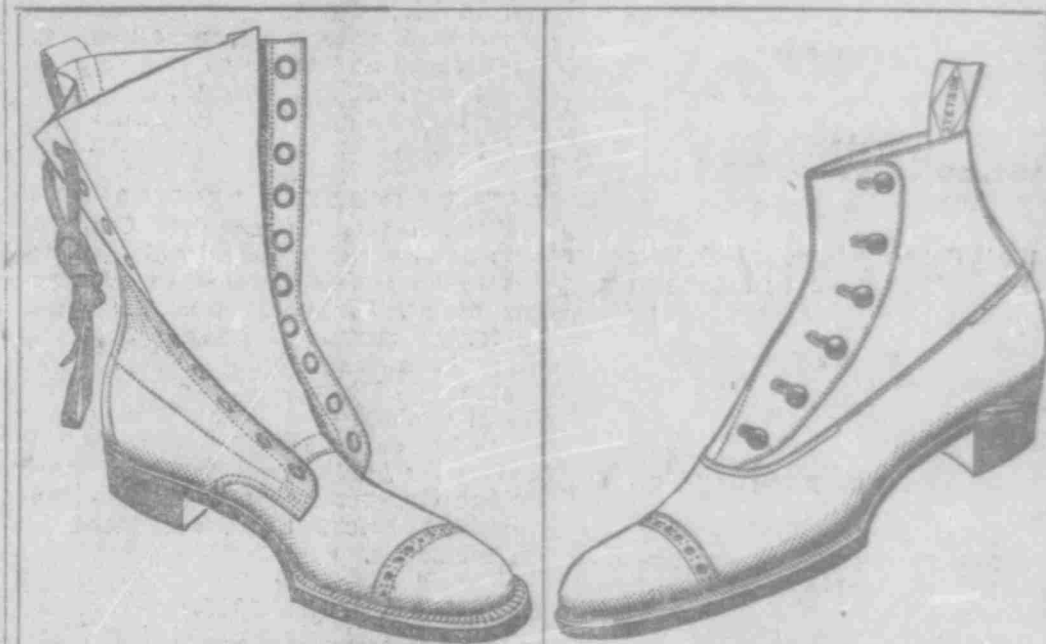

For a wonder all the puzzle army remembered to address their letters correctly, and it is hoped that this
